

# BE A PART OF LIBRARY HISTORY

In our efforts to maintain and improve our library we are offering the opportunity to purchase commemorative bricks in our new walkway. Engrave a brick with the name of a family member, loved one, friend, pet or your own name (as a supporter of the library). You may also engrave your brick as a memorial to someone. These bricks will help pay for the walkway and contribute to the library as well.

**The price of each commemorative brick is \$100.**

Each brick can be engraved with up to three (3) lines and up to fourteen (14) characters per line (NOTE: spaces, periods and other punctuation marks are included in the character count per line).

Fill out the form below and return to the library with your check for \$100. Make checks payable to The William Fogg Library.

Your donation is tax deductible to the extent permitted by law.

ACT NOW to get your engraved brick set before frost comes. We will set more in the spring when the frost is gone.
